WHITETAIL ACADEMY

Youth BowHunting Clinic

In partnership with Whitetails Unlimited, our 1-day Whitetail Academy provides youth ages 12-17 with an opportunity to be outside shooting a bow more than they ever have. Our hands-on method allows for a real-life experience learning the basics of bowhunting. Students will go through the entire hunting process learning everything from knowing your bow, planning for the hunt, tree stand safety and shot placement. We add in a 3D range competition and, in the end, senior campers are chosen to return to Gardner Camp for a bowhunt, completing the learning circle. AGE LIMIT: 12-17

JULY 7TH • 8A - 6P

To register, email info@gardnercamp.org or call 217/432-1999. No cost. Includes lunch & snacks. Limited to first 25 youth. Strongly recommended to bring and practice with your own bow. GC has a limited supply of bow equipment.
