

QUINCY ART CENTER & GARDNER CAMP

ART in the WILD

JULY 20, 2019
9:30a-11:30a OR 12:30p-2:30p

Let nature inspire you with beautiful views and wild scenery at Gardner Camp. We will take a short hike to find the most visually appealing views and discuss the natural landforms at Camp. Following this, we will take time to learn the proper techniques of Plein Air painting or drawing from art instructors while sitting outside within nature. Create a lovely work of art to take home that will remind you of your adventure at Camp. Instruction and materials provided.

For youth going into 4-8th grade. No cost. Register at www.quincyartcenter.org
